Good luck attempting to file a citizens complaint or even a civil suit
alleging causes of actions for civil rights violations against abusive
police actions in San Bernardino, or for that matter in any other State of
California municipality. I have spent 15 years as an advocate for victims
filing complaints at all levels including with 1) local police 2) Superior
Court 3) Federal District Court 4) paid Appeals to the California Supreme
Court 5) to the Ninth Circuit Court of Appeals 6) by Writ of Certiorari to

Please do not insult my intelligence that this hate conspiracy does not exist. Please do not insult your intelligence by keeping silent in this post and say that you have not been informed of the evidence before you.

Please do not insult my intelligence that there is not a conspiracy here of government-sponsored hate and a system intentionally setup to remove and disenfranchise citizens of our nation with inalienable rights to life, liberty and the pursuit of happiness. This targeted group of so-called "The Dirty" have been slated to run coursework of created intentions to be cast away into death this systemic scheme of hate and that the outcome of such a systemic scheme has resulted to the reporting of this article:

Why do America's black gay and bisexual men have a higher H.I.V. rate than any country in the world?

Shall I continue -- the evidence that brings forward this conclusion is documented on the web that so far no one seems to be able to issue any valid reason to remove such evidential record -as a false account of details. Onto my own internet domains, not one content removal request has been received. Everything on the web personally written by me is the truth, the whole truth. and nothing but the truth. so help me god. That

would be my court swearing-in, but I can't even have such a day in court. Every aspect of this conspiracy is entrenched to set up a whole wall of oppression that can not be challenged. I challenge the notion that anyone would just keep their name listed to [@fuckeduphuman.net](#) --- and leave it to stand for an extended amount of time. No, that is not possible that you

I have concluded my writing this story on the web as an American Citizen. In fact, if this matter is not taken up for urgent and immediate discourse, as POPE FRANCIS calls us to, I DEMAND THAT MY UNITED STATES CITIZENRY IS CHANGED TO A DIFFERENT COUNTRY THAT DOES NOT ALLOW THE HATERS TO WIN --- I DISOWN MY FAMILY, I DEPART ANY AND ALL FRIENDS AND LEAVE THIS FUCKED UP HUMAN COUNTRY TO FALL INTO COLLAPSE TO COMPLETE DUST -- BECAUSE OF THIS CONSPIRACY [AMONG OTHER FACTORS] has the CAUSATION to the EROSION OF TRUST so BADLY that it has caused the UNSTOPPABLE epidemic of [#MassShootings](#). -- THERE IS NO MORE DELAY --- IF I DO NOT HEREBY OCTOBER 31ST 2019 FROM

Jeff Weiner -- I expect to be treated with more authority on this site, and stop making it seem like that I am a piece of shit --- not listen to, responses in customer service non-responsive --- this ain't right to treat me so badly..

Do you want to see something of accomplishment CED of LinkedIn Mr. Weiner?

For the internet domain of shock and awe that I have indeed placed persons name listing to -- have found it way to be now listed onto the section of "related links" on an OFFICIAL TRUTHFINDER Background Check Report -- In that Truthfinder takes the data to be validated, so too upward my domain(s) are VALIDATED to the GREATER INFORMATION SOCIETY, You all thought my holding of this domain was crazy thinking bullshit -- didn't you all?

<https://lnkd.in/gHN6ywn>

So Mr. Weiner, let's get to the nitty-gritty... respect for the inclusion of my internet domain for inclusion on official Truthfinder reports, where does that place these data subset content folders ---out to lunch to never be back? Give me an authority credit here.... review the record standing.

<https://lnkd.in/gBqkekX>

The screenshot shows a Truthfinder report interface. At the top, there are controls: 'Flag As Inaccurate', 'Rate Personal Information' (5 stars), 'Activate Monitoring' (OFF), and a 'SHARE REPORT' button. Below this is a 'RELATED LINKS' section. It lists several links with 'Remove' options: Facebook, Pinterest, and WhitePages.plus. A callout box highlights a link to 'fuckeduphuman.net' with the text 'Valid Information Society Presence TruthFinder Report -- Related Links @fuckeduphuman.net'. A 'Jump to Top' button is also visible.
